Photo shoot with Dawn Marie Photography

www.photosbydawnmarie.com

During our November workshop, we will be offering a unique opportunity for our members to have professional photographs taken by Dawn Marie. After the photo shoot, Dawn Marie will email each participant their proof sheet and give them the opportunity to purchase the photographs for their own personal and professional use.

Due to time constraints, space is strictly limited to a maximum of 10 members. If you haven't signed up already, please do so ASAP. All participants have a choice of a black or gray background. We ask that all members planning on being photographed be dressed and ready when you arrive at the meeting. Feel free to bring props to use during your shoot (cards, coins, rings, etc.).

While the pictures are being taken, we will be having a "works-in-progress" workshop in the larger room. If there is anything you're working on please bring it in to get some feedback. Even if your just looking for routine help, or maybe just how to make an idea come to life.
